2013 Founding Sponsors

Thank you to our founding supported! These individuals helped to launch the Alaska Songbird Institute in our inaugural year. We are forever grateful for their support and vision. We were honored to receive our very first donation ever made in memory of Ed Kincaid, a fellow Alaskan who loved and appreciated birds. We were also so honored to have received founding donations in memory of Alaskan glaciologist and birder Keith Echelmeyer and ornithologist Betty Anderson.

Special thanks to the North Star Community Foundation, the Alaska Department of Fish and Game, and the students, families and teachers of the Fairbanks North Star Borough School District for their support!

We would also like to thank the Melinda Gray Ardia Environmental Foundation, the Skaggs Foundation, and the USFWS Connecting People to Nature Program for supporting our Youth Mentoring and High School Internship Programs this year! Their donations provided an opportunity for 16 youth and young adults to spend hundreds of hours outside on Creamer's Refuge, engaged in research with wild birds, and learning firsthand the fundamentals of science.

Thank you to BP, Flint Hills Resources, and ConocoPhillips for their donations in support of science education opportunities associated with the Tree Swallow Nesting Ecology Project and the Creamer's Field Migration Station!

Thank you to our 2013 Founding Adopt-A-Net Sponsors:

- Raven: BP, Flint Hills Resources, Inc.
- Varied Thrush: ABR, Inc. in memory of Betty Anderson, ConocoPhillips Alaska, Dr. Ron & Mary Teel
- Yellow Warbler: Design Alaska, North Pole Physical Therapy, Rotary Club of Fairbanks, Ted Swem, Totem Ocean Trailer Express (TOTE),
- Ruby-Crowned Kinglet: Alaska Feed Company, Nancy Kilgore & Curtis Thorgaard, Randy Meyers, Laurel Devaney & Ken Russell, Martha Hanlon Architects, Inc., Dr. David Sonneborn

And finally, a heartfelt thank you to everyone who became founding members of the Alaska Songbird Institute.
